Thanks to all the entrants who turned out on a cold day and also then had to pick their way through the hedge cutting to the revised start. For the riders who like to compare their performance year on year our estimate is that the course was 1000 yards (0.57 mile) short on previous years.

Congratulations to Tejvan Pettinger on his storming ride who, after proving fastest up Conholt Hill, then proceeded to blitz the field for a 1:43 winning margin and could well have come close to the course record but for this years short course. William Girvan repeated his record of recent years in being placed in the top three when he recorded his third successive runner up spot; whilst third place Sean Williams had the satisfaction of being second at the top of Conholt Hill, only 0:10 behind Tejvan Pettinger. Geoff Smith who travelled all the way from Sussex for this event was rewarded with a win in the Vets class ahead of Stan Maciak where both riders recorded pluses, an unusual occurrence in this event. Congratulations also to both the ladies with Nicky Xandora taking the win from Iris Williams.

Thanks to all the marshals, Gregg James, Mark Skeates, Hefin Richards, David Pike, Chris Cardy, Eric Wilcox, Mick Risdale, Peter Williams, Paul Welch and Simon Hall. Thanks to John Foster for timekeeping; Brenda Foster for cooking the cakes and Lizzy Yates for running the tea bar on the day. Also thanks to the Vernham Dean Playing Fields Association for use of the H.Q. Apologies to any one I have forgotten.

After more years than I can remember promoting this event the time has come to hand on to someone else who can come up with some new ideas and take the event on to greater things. Thank you to all the riders and helpers who I have encountered over the years, I have had some great times running this early season bit of masochistic fun. We are always looking for something a bit different so please find enclosed, with the compliments of Andover Wheelers, a photo to remind you of you efforts on Conholt Hill in this years event. Let's keep the event alive so remember to spread the word.
